**Weight calculation:** The higher value is taken into account – actual weight or dimensional weight.

Volumetric weight (kg) = Length (cm) × Width (cm) × Height (cm) / 5000

**Declared value commission:** up to 500 MDL – included in the tariff; over 500 MDL – 0.5%.

**Tariffs for individuals are set in MDL (VAT included) and are valid starting from 01.02.2026.**
