Declared value fee: up to 10,000 CZK is included in the rate; over 10,000 CZK – 0.5%

The fee for shipment return or redirection is the same as the delivery rate.

[The above-mentioned discounts apply to our public price list, which is available at the following link:
<https://novapost.com/en-cz/for-business/shipping-cost>](https://novapost.com/en-cz/for-business/shipping-cost)

Prices are listed for one-time deliveries in Czech Korunas (CZK), excluding VAT for the transport of shipments within the Czech Republic, valid from September 16, 2026.

Weight calculation: The higher of the actual or volumetric weight is applied.

Volumetric weight (kg) = Length (cm) × Width (cm) × Height (cm) / 4,000

Nova Global CZ s.r.o. reserves the right to change this price list at any time.
