

**Additional services\***

Pickup from sender's address for more than 10 shipments per day

400

Weekend pickup surcharge within Czechia

100

\* The listed additional services are provided exclusively to legal entities with a separate contract.

\*weight 0.01 – 1 kg is charged at the price per 1 kg

Provizie on declared value - up to 3700 CZK is included in the tariff; over 3700 CZK - 0.5%

Weight calculation: the greater of actual or volumetric weight is used. Volumetric weight (kg) = Length (cm) x Width (cm) x Height (cm) / 4,000

Prices are listed for one-time deliveries, in Czech Korunas (CZK) including VAT, valid from 01.06.2026

Nova Global CZ s. r. o. reserves the right to change this price list at any time.

For more information, please contact your sales representative.

These tariffs are provided as basic information for legal entities that do not have a special agreement concluded,  
in which discounts for each of the services would be specified.

The price for shipment return or redirection is the same as the delivery price.
