Declared value fee: up to 10,000 CZK is included in the rate; over 10,000 CZK – 0.5%

The fee for shipment return or redirection is the same as the delivery rate.

These rates are provided as basic information for legal entities that do not have a separate contract specifying discounts for individual services.

Prices are listed for one-time deliveries in Czech Korunas (CZK), excluding VAT, valid from June 1, 2026.
Weight calculation: The higher of the actual or volumetric weight is applied.
Volumetric weight (kg) = Length (cm) × Width (cm) × Height (cm) / 4,000
Nova Global CZ s.r.o. reserves the right to change this price list at any time.
