-----------------------------------	--------------------------

**Weight calculation:** The higher value is taken into account – actual weight or dimensional weight.  
Volumetric weight (kg) = Length (cm) × Width (cm) × Height (cm) / 5000  
**Declared value commission:** up to 500 MDL – included in the tariff; over 500 MDL – 0.5%.  
**Tariffs for business are set in MDL (VAT included) and are valid starting from 01.02.2026.**
