Weight calculation: the greater of the actual weight or the volumetric weight is used.

Volumetric weight (kg) = Length (cm) x Width (cm) x Height (cm) / 4 000.

Prices are indicated for one-time deliveries, in Czech crowns (CZK) with VAT, valid from 2.10.2026. v

A commission on the declared value is not charged on amounts up to and including 3700 CZK; a commission of 0.5% applies to the portion exceeding 3700 CZK. **The customs fee, which includes customs duty, VAT, and all costs associated with customs clearance pursuant to Article 4.5.5 of the Postal Terms and Conditions, amounts to 20% of the declared shipment value for all shipments under the DDP regime and is paid by the sender. Under the DAP regime, the customs fee is paid by the recipient in the actual amount applicable in the destination country. The customs fee for shipments from the EU to the USA is 20% of the declared shipment value. No additional customs, brokerage, or hidden fees apply. The customs fee does not apply to documents.**
